

4th QTR. 2011 DONOR CENTER & MOBILE WALK-IN REPORT –
87 PRODUCTS

Following is a list of blood donors who have donated whole blood, plasma, platelets, and red blood cells from October 1 through December 31, 2011 at a Gulf Coast Regional Blood Center Donor Center (GCRBC) such as Westchase Donor Center, The Blood Center on LaConcha, Katy Donor Center, etc., and credited St. Peter’s with their donation. This list also represents donors who donated at their work, at a school drive, radio station drive, mall drive or at a once-a-month drive at MH Katy or Christus St. Catherine and credited St. Peter’s. (Donations through M.D. Anderson are not part of GCRBC.) THANK YOU to the 42 donors who donated a total of 60 times. Total products during the fourth quarter totaled 87. **If time and your schedule permit, plasma may be donated one time a month with either platelets or red cells and platelets can be donated a maximum of 24 times a year. Each and every donation is much needed! Call me if you would like to know how to fit in “extra” donations.**

Many of these donors “walked in” to a Donor Center or drive other than at St. Peter’s and donated whole blood, plasma, platelets or red blood cells instead of or in addition to donating at a St. Peter’s drive. Each of these donations was credited to St. Peter’s UMC (#1201). The number beside each name indicates the number of donations by that person during the fourth quarter of 2011 at a Donor Center or Drive other than St. Peter’s. The number in parentheses indicates the total number of donations for the year to date (other than at a St. Peter’s drive.) Any questions? Call Marsha at 281-492-0472. **Log onto giveblood.org, then Digital Donor, then CFL [Commit for Life] Store to get information on your donations, and buy “gifts” with your points.**
