

Facilities Use Policy

I. Statement of Purpose

At St. Peter's United Methodist Church (hereinafter the "Church"), we invite people to experience God's grace and to grow in their knowledge and love of God through disciplined Christian living. Our theological heritage is based on this distinctive emphasis. Because of what God has done for us, we offer our lives back to Him through a life of service and discipleship. At St. Peter's United Methodist Church we believe our faith must manifest itself in what we do, therefore; as disciples, we seek to "Connect the World with God's Love" through our mission and service. For John Wesley, faith always included a social component because we cannot be solitary Christians. We recognize that our facilities are a gift from God for the purposes of God and should be utilized for this purpose to the fullest extent possible. The Board of Trustees, the Church Staff and the Church Members believe that the Church facilities are to be used primarily for the worship of God, for the mission of the church, and secondarily to be a good neighbor by supporting the surrounding Christian community. The following policies have been written and approved in order to standardize and regulate the use of the facilities of St. Peter's United Methodist Church.

For all those requesting use of these facilities, it is understood that St. Peter's United Methodist Church is a religious, not-for-profit, tax-exempt organization. It is further understood that facilities use will not be conducted or allowed to be conducted in a manner that damage the image of, undermine the principles and beliefs of, or are for programs inconsistent with the faith statement of St. Peter's United Methodist Church. The facilities of St. Peter's United Methodist Church, by definition, include the buildings, the grounds, the furnishings, the fixtures and the equipment.

II. Hours of Operation

- A. St. Peters will be open for regular operations on the following schedule:
 - 1. Monday through Friday 8:30 a.m. to 9:00 p.m.
 - 2. Saturday the Church is closed.
 - 3. Sunday 7:00 a.m. to 12:30 p.m. and 4:00 p.m. to 6:30 p.m.
- B. Wednesday evenings, after 5 p.m., and all day Sunday will be reserved for Church ministry activities.
- C. Friday evenings after 7 p.m., Lott Fellowship Hall and Asbury Hall will be reserved for Sunday set-up.
- D. Saturdays, the Church will only be available for weddings and funerals, as needed.
- E. The Church will not be available for use on officially recognized Staff Holidays. Holidays are set on a yearly basis and Staff will communicate the Holiday schedule with enough advance notice for meetings/events to be cancelled and/or rescheduled as may be required.

The Board of Trustees recognizes that use of the facilities for the Ministry Activities of the Church will occur outside regular operating hours, from time to time. Such activities must have prior approval of the Senior Pastor or Executive Pastor.

Any meeting, event or activity of Ministry Outreach and Community Outreach Groups, if requested to occur outside of normal operating hours, shall be considered a Special Event and will be subject to approval by the Church's Board of Trustees.

All meetings, events or activities shall be completed within the stated hours of operation. Especially in the case of requests that anticipate use of the kitchen facilities in Lott Fellowship Hall or the Hospitality Kitchen/Coffee Servery, and all meetings, events or activities, regardless of location, that include serving food, the term "completed" in the previous sentence includes all time required for clean-up at the closing of the meeting, event or activity.

III. Facility Use by Category/Purpose

In keeping with the Statement of Purpose, the Board of Trustees has divided groups and individuals into the following categories:

1. Ministry Groups (individual and group activities directly related to the Church and its' ministry to the community)(these activities may include partnership with other local charity groups)
 2. Ministry Outreach Groups (individual and group activities encouraged by the Church but not directly related to its' ministries)
 3. Community Outreach Groups (good neighbor individual and group activities of non-profit organizations and other community charity groups)
- A. The use of church facilities by for-profit groups or individuals will not be approved. All requests for facilities use by Ministry Outreach and Community Outreach Groups, whose activity and purpose may not align with the Church's mission statement, may require prior approval of the Board of Trustees.
- B. The approval of requests for facility use is the responsibility of the Building Operations & Maintenance Director with counsel from the Board of Trustees, if necessary. Because of the large amount of requests received and the added responsibilities that events require, individuals and groups wishing to use the Church facilities are cautioned to not plan or commit their requested meeting/event prior to approval of a Facilities Use Request Form and/or prior to entering into a Facilities Use Agreement.
- C. All Ministry Outreach Groups and Community Outreach Groups requesting use of St. Peters facilities during regularly scheduled hours or for Special Events will provide the following:
1. Proof of 501(c)3 status
 2. Proof of insurance (General Liability)
 3. Approval and execution of a Facilities Use Agreement
- D. Facility Use for Ministry Groups
The Church, the Pastoral Staff, the Office Staff, the Children's Ministry Department, the Student Ministry Department and the Music Department may request and will be granted permission to use the facilities for single use and recurring ministry events attended by the church membership and its' guests and such events will be subject to the terms of this policy. This type of event takes priority over all other requests for event/meeting space. A Facilities Use Agreement is not required for this type event conducted during normal hours of operation, however; the user is required to submit a Facilities Use Request Form. These events are those typically understood to be Church events whose cost of operation is funded by the annual budget of the Church. Scheduling for this type event can be made 12-months in advance. Special Events, as defined by this policy, may require a Facilities Use Agreement and be subject to fees. When such events include participants under the age of 18-years, the Safe Sanctuary policies of the Church must be followed.
- F. Facility Use for Ministry Outreach Groups
Ministry Outreach Groups include counseling and help programs, 12-step programs and scouting programs. These groups will be granted permission to use the facilities on a recurring basis subject to the terms of this policy. These users will be required to submit a Facilities Use Request Form but typically will not be required to have an approved Facilities Use Agreement. These events are consistent with the social doctrine of the Church and, as such, are typically not subject to user fees. The Church encourages these groups to make a periodic donation to the Church to be used for Church ministries. Scheduling for this type event can typically be made 6-months in advance. Special Events, as defined by this policy, may require a Facilities Use Agreement and be subject to fees.
- F. Facility Use for Community Outreach Groups
Community Outreach Groups includes community and school district choir and orchestra groups, community charity groups and other non-profit associations along with those requesting use for weddings, funerals and memorial services. Requests for use of the Church facilities by Community Outreach groups during regular operating hours, for Special Events, and for activities that require special accommodations such as significant set up, security, audio/visual equipment, cleaning and/or Church staff will be evaluated on a case-by-case basis. Each meeting/event will be considered if, 1) usage does not interfere with the Church's normal activities, and 2) adequate Church staff is available during the requested usage time. Scheduling for this type event can typically be made 6-months in advance.

Usage of the Church facilities by Community Outreach groups will require remuneration such that the Church budget is not negatively impacted by the requested usage. The fees charged for Community Outreach activities are understood to include the cost for conditioning, lighting, staffing, cleaning, security, maintenance, room set-up and room take-down. Special consideration may be provided for funerals and memorial services.

The Church has a separate policy for use of Church facilities for weddings. Those desiring use of Church facilities for weddings should contact the Church office to obtain a copy of the Wedding Policy booklet and to discuss the special requirements associated with conducting a wedding at St. Peter's United Methodist Church. The Wedding Policy is considered supplement to this Facilities Use Policy and the terms of this policy shall apply.

- G. The Building Operations & Maintenance Director shall be the individual responsible for approving or disapproving facility use requests and establishing fees. This policy will be the basis of that determination. Any user requesting a meeting/event/activity not in conformance with this written policy requires Board of Trustees approval. The determination by the Building Operations & Maintenance Director may be appealed directly to the Board of Trustees. The Board of Trustees typically meets once a month on the third Monday of the Month. Appeals should be submitted in adequate advance of this date in order to get your request placed on the Trustees agenda.
- H. Renewal of Facilities Use Agreement
Events/meetings that are approved and held on a regular basis (weekly, monthly, etc.) can be covered under one Facilities Use Agreement with all scheduled dates identified in advance. Each Facilities Use Agreement will be reviewed for renewal or cancellation depending on facility availability. The Church's use of the facilities is precedent to any other use request. No individual or group is guaranteed event/meeting space and agreements must be renewed where usage is requested for meetings/events not covered by a current agreement. At the time of renewal, the Building Operations & Maintenance Director reserves the right to adjust fees and/or relocate event/meeting space and necessary to accommodate Church activities.

III. General Regulations/Procedures
